Target Market Determination version dated – October 2025

We are required by law to publish a target market determination (TMD) for each financial product we issue.

A TMD sets out the target market (i.e. a class of consumers for whom the product, including its key attributes, would likely be consistent with their likely objectives, financial situation and needs), the distribution conditions we apply that make it likely that consumers who acquire the product will be in the target market, and information about how we review the target market and distribution conditions so they remain appropriate.

This TMD is not intended to be financial advice. Please check the current hummm TMD by clicking here <https://www.hummmloan.com/target-market-determination/>

Key product attributes

hummm is a flexible personal loan that allows individuals to access unsecured credit for approved personal purposes such as (but not limited to) debt consolidation, home improvements, major household and health related purchases. The following are key features of **hummm**:

- loan terms between 3 and 120 months may be available, with longer terms within that range generally available for larger loan amounts
- automatic direct debit for regular repayments, with the ability for borrowers to make additional payments from time to time without additional fees or charges
- fixed interest rate for the term of the loan (if interest is applicable) (which can include different fixed rates for specific promotional periods)
- loan amounts from \$1 up to \$50,000.00 may be available
- interest and fees are generally chargeable (refer to www.hummmloan.com for details) and
- the loan and repayments are managed through an app and online portal.

The loan amount and loan term may impact the interest (if applicable), fees and charges payable for **hummm**.

Not all loan amounts and loan terms are available through all distribution channels. The availability of specific options may be subject to the distribution channel and is subject to our approval. The availability of certain loan amounts and terms is typically dependent on the loan purpose and the arrangements our accredited introducers may have in place with us.

*Approval within minutes is possible when all conditions and lending criteria (including responsible lending requirements) are met and all relevant information is provided. Approval subject to individual credit assessment and other checks and approval outcomes are not guaranteed. In some instances, we may need to review the application. Terms & Conditions (please link to <https://www.hummmloan.com/general-terms-conditions/>) apply.

Eligibility requirements

hummm is designed for consumers who meet the following Eligibility Requirements:

- are 18 years of age or older
- have a suitable source of income
- meet our credit assessment criteria
- satisfy our identity verification processes
- are Australian residents with an Australian residential address, and
- have a valid mobile number and email address.

Needs & objectives

hummm is designed for consumers with the following objectives and needs:

- require an unsecured loan for approved personal purposes with the ability to spread repayments over a fixed term between 3 and 120 months
- seek the certainty of fixed repayments (which can include different repayments during promotional periods)
- value the flexibility to make additional repayments or repay the loan early without additional fees or charges, and are comfortable managing their loan through an app or online.

Financial situation

Consumers who have the financial capacity to make the required repayments (principal, interest, and fees) under the loan without substantial financial hardship, as assessed through our credit assessment criteria.

Excluded consumers

hummm is not designed for consumers and may not be suitable for people (Excluded Consumers) who:

- do not satisfy each Eligibility Requirement
- want repayment terms less than 3 months or greater than 120 months
- seek a loan with a redraw function
- are not comfortable managing their loan online or through an app
- want to use an asset as security for the loan, or
- may find it difficult to make their loan repayments or have not demonstrated the capacity to meet their financial obligations under the loan without substantial hardship.

- All staff who are introducing customers to humm loan must complete mandatory training prior to offering the product.
- Training details are in the Welcome Email sent to you once you're set up as a merchant portal user. You must complete this training before you use the portal.
- Like any financial product, it's important to be factual and never misleading while talking to your customers and marketing about humm.
- Customer disclosure is also very important. Customers must read the terms and conditions fully and carefully before entering into humm.
- Merchants must comply with any marketing guidelines provided by humm and must only distribute materials prepared by humm.
- Our new product is designed with industry leading identity credentials management for data security. You will be set up with your own portal credentials which you will receive in a Welcome Email. Please do not share these credentials with your colleagues.
- Your portal admin will have the ability to set up new users with their own details if they will be processing any purchases using humm.

The screenshot shows the hummm website interface. On the left is a sidebar with the hummm logo and navigation links: Home, Make a purchase (highlighted in orange), Purchases/Refunds, Pending/Referred Purchases, Progress Draw Loans, Payment Summaries, Support, Resource Hub, and Quote Calculator. The main content area is titled 'Your income and employment'. It contains a form with the question 'What is your primary source of income?'. Below this is a dropdown menu for 'Employment type' with 'Full time' selected. A list of options is shown: Select One Option..., Full time (highlighted), Part time, Casual, Self employed, Veteran Pensioner, Aged Pensioner, Self Funded Retiree, Unemployed, and Disability Support. Below the dropdown are fields for 'Amount (\$)' and 'Pay frequency'. Further down is a section for 'Do you have additional sources of income? (add as many as applicable)' with a dropdown and an '+ Add' button. At the bottom of the form is an orange 'Confirm' button.

Accepted Proof of Income Docs

If you do not submit your bank statements online, you must provide us with at least one of the following types of proof of income.

- i. Bank Statement (dated within the last 6 months, min 90 days)
- ii. Pay Slip (dated within the last 6 months, provide at least 2 payslips)
- iii. Tax return - Notice of Assessment (dated within the last 2 years, at least 1 notice)
- iv. Centrelink Payment Statement (dated within the last 6 months, min 90 days)
- v. Centrelink Income Statement (dated within the last 6 months, min 90 days)
- vi. Superannuation Statement (dated within the last 6 months, min 90 days) (Note: Can only be used to substitute 1 doc above, but not to be used to verify income exclusively) [internal hummm note: Can only be used to substitute 1 doc above, but not to be used to verify income exclusively]
- vii. Rental Income Statement (dated within the last 6 months, min 60 days)
- viii. Dividend Statement (dated within the last 12 months, min 90 days)

Please email these documents at lending@hummmloan.com. Documents must be in one of the following formats: JPEG, JPG, PNG, GIF, PDF

For faster approvals, submit your bank statements online to get an instant decision.

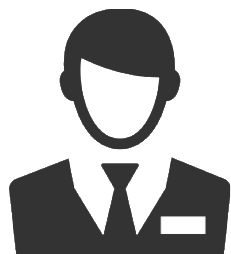

Customer

Customers receive an email from hummm advising what documentation we need hummm will then review and verify income and expenses

Important: you can complete the application while assessment is taking place, though a decision can not be reached until assessment of documents is complete.
