IPAD CLICK & COLLECT CUSTOMER HANDOVER SOP

PURPOSE

To ensure a secure, consistent, and professional process for verifying and completing Click & Collect orders during customer pickup.

SCOPE

This procedure applies to all staff members responsible for managing Click & Collect order handovers.

CUSTOMER COLLECTION REQUIREMENTS

Before releasing an order, ensure the following:

- The order is **fully paid** (ordered amount = shipped amount).
- The customer presents a **valid photo ID** upon request.
 - **Do not release** the order if the ID does not match the order details.
 - **Contact the Web Team** for further guidance if there is a mismatch.

IPAD ORDER DISPLAY CRITERIA

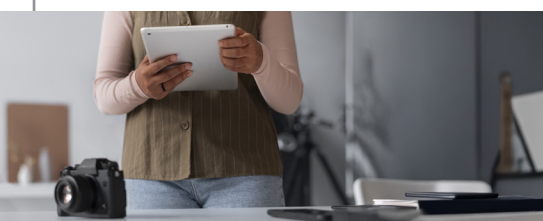

Orders will appear in the Pronto POS App only if:

The **order warehouse** is set to the **POS App store**.

- The **carrier** is a **Click & Collect (CNC)** carrier.
- The **order status** is **"Ready for Picking"**.
 - Select **"Y"** when prompted to **"Print Document Now"**.
- Once picked, the order status will update to **"Ready to Collect"**.

IMPORTANT

If you encounter any issues during the Click & Collect process, **immediately notify a member of the management team**.
