Kayell – Credits, Returns and Repair Procedure.

Version 1

To initiate any return or repair process with Kayell, please follow these steps:

1. **Lodge a Support Ticket:** Visit <https://support.kayell.com.au/> and submit a support ticket detailing the issue.
2. **Await Instructions:** After submitting the ticket, Kayell will advise you on the next steps to take.
3. **Return Authorisation:** Ensure that any goods being returned have an RMA number. Goods returned without an RMA number, or those found to have faults due to user error, will be sent back to the original location.
