11 Click on Accessories Button and List Accessories with Equipment. Click Save

The screenshot shows a software interface for managing repairs. At the top, a header bar reads 'Lines on Repair: 10000064'. Below this is a menu bar with options: 'Find', 'Entry', 'Correct', 'Remove', and 'Notes'. A sidebar on the left contains buttons for 'Repairs', 'Standard', 'Seq 41', and '1.00'. The main area displays a dialog box titled 'Accessories' with a close button (X). Inside the dialog, a text area contains the text 'Battery, Strap & Body Cap'. At the bottom of the dialog are 'Save' and 'Cancel' buttons.

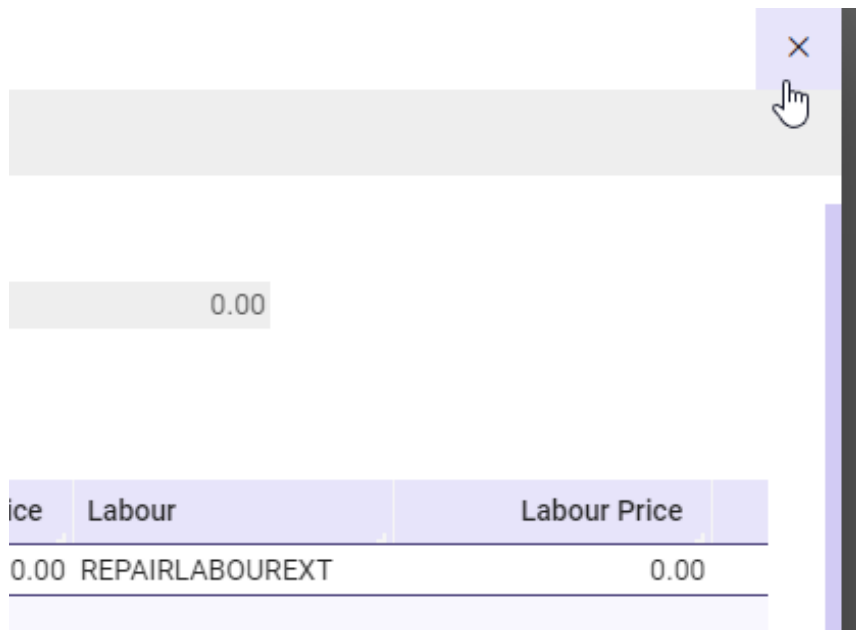

12 Click on Fault Details Button and List Fault/s. Click Save

The screenshot shows the same software interface as before. The 'Fault Details' dialog box is now open, replacing the 'Accessories' dialog. The text area within the dialog contains the text 'Camera Does not focus - Tested with Several Lenses'. The 'Save' and 'Cancel' buttons are at the bottom.

13 Click on Goods Condition Button and provide condition details. Click Save

The screenshot shows the same software interface. The 'Goods Condition' dialog box is open, with the text area containing 'Camera in Good Condition - Some Marks on LCD'. The 'Save' and 'Cancel' buttons are at the bottom.

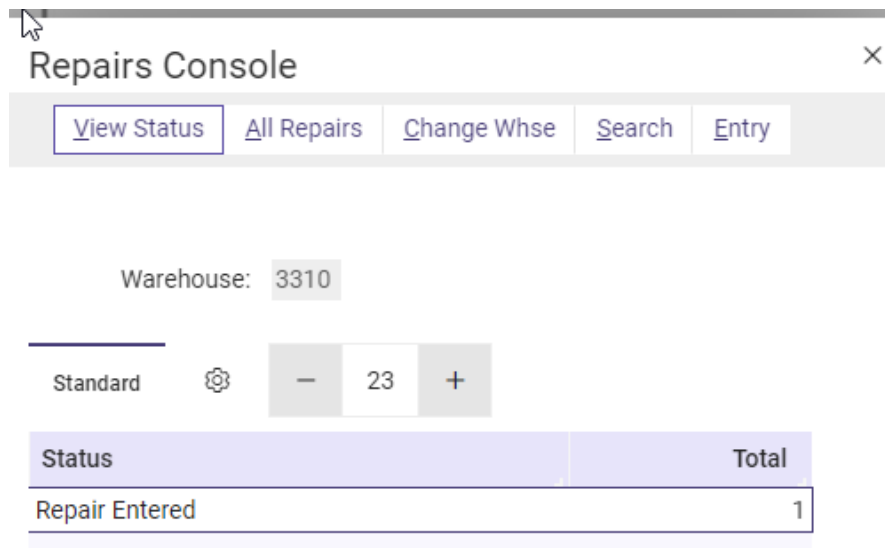

14 When you have added notes click **X** to move to next screen.

A screenshot of a software interface. At the top right, there is a light blue button with a white 'X' icon and a hand cursor pointing at it. Below this, there is a grey rectangular box containing the text '0.00'. At the bottom, there is a table with three columns: 'Price', 'Labour', and 'Labour Price'. The first row of data shows '0.00', 'REPAIRLABOUREXT', and '0.00'.

| Price | Labour          | Labour Price |

| Repair Entered | 1     |

16 Choose Next Action, in "Repair Actions", Tick Select Repairer .

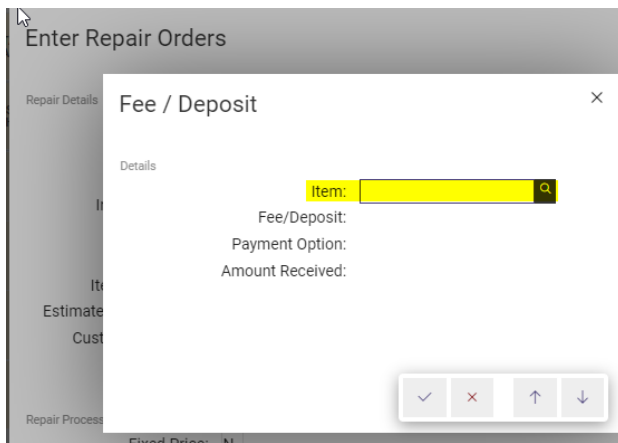

Choose Correct Repairer from Drop down- everything else will Autofill. Click Enter.

(This will automatically create a Purchase Order in the background.)

A screenshot of the 'Repair Actions for Order: 10000003' dialog box. It has a title bar with a close button. Below the title bar, there are three tabs: 'Details', 'Next Action', and 'Notes'. The 'Next Action' tab is selected. Under the 'Next Action' tab, there are three checkboxes: 'Select Repairer' (checked), 'Despatch Repair', and 'Enter Quote'. Below the checkboxes, there is a 'Create Purchase Order for Repairer' dialog box. This sub-dialog box has a title bar with a close button and a 'Details' tab. It contains the following fields: 'Repair Number: 10000003', 'Item Code:', 'Item Description: Canon EOS RP Body', 'Serial Number:', 'Repair Type: Customer Repair', and 'Repairer: S5000900' (highlighted in yellow). At the bottom right of the sub-dialog box, there are four buttons: a checkmark, an 'X', an up arrow, and a down arrow.

17 Click on Item to find Handling Fee

The screenshot shows the 'Enter Repair Orders' window. A 'Fee / Deposit' dialog box is open, displaying the following fields:
