

FILM DEVELOPMENT PROCESSING SOP

1. Purpose

This SOP ensures all film development orders are processed accurately while protecting customer personal information, in compliance with the **Privacy Act 1988 (Cth)** and the **Australian Privacy Principles (APPs)**.

It applies to both **Ted's Cameras** and **Digital Camera Warehouse**.

2. Scope

This SOP applies to all staff involved in:

- Film development service handling
- Use of **Pronto POS**
- Managing physical film and paperwork
- Storing and sharing digital files via **Microsoft OneDrive**

3. Responsibilities

- **Staff Members:** Follow this SOP at every step of film processing.
- **Store Manager / Team Leader:** Ensure staff compliance, provide training, and oversee secure operations.
- **Senior Management / Privacy Officer:** Manage privacy concerns, handle data breaches, and ensure legal compliance.

4. Procedure

Step 1: Locate or Create Customer Account

1. Search Membership

- Use **Pronto POS** to check if the customer has a Club Ted membership using the supplied contact details.
- If found, proceed to Step 2.

2. Create New Membership (if none exists)

- Inform the customer that a Club Ted membership is required for film processing.
- Create a new account in Pronto POS with the following minimum details:
 - Full name
 - Email address
 - Phone number
- Provide the customer with a copy of, or link to, the company's Privacy Policy.
- Obtain consent to store and use their personal details.

Step 2: Confirm Customer Identity

- Ask the customer to confirm **two forms of contact:** phone number and email.

If both details match the account record, **proceed to Step 3.**

Ted's Cameras

If the details do not match:

1. Inform the customer that their details cannot be verified against the existing account.
2. Request **photo ID** and confirm the name matches the account before updating any details.
3. If the account cannot be verified, or if the customer prefers, create a **new Club Ted membership** in Pronto POS using accurate, up-to-date details.
4. Provide the customer with the Privacy Policy.
5. Obtain consent to store and use the updated personal information.

Step 3: Register Film Development Order

- Record the order in **Pronto POS**, ensuring full payment is made and relevant order lines are backordered.
- Attach order paperwork securely to the film and place in a secure bag.
- Paperwork must remain with the customer's film throughout the process.
- Avoid writing unnecessary personal information on paperwork; use **order numbers only** where possible.

Step 4: Film Handling & Processing

- Store film and paperwork together in a **secure, staff-only area**.
- Ensure film and paperwork remain paired at all times.
- Staff must **not copy, retain, or distribute customer images** for personal use.

Step 5: Digital File Storage & Sharing

- Once scanned, store files in the authorised **Microsoft OneDrive** folder.
- Place files in a folder clearly labelled with the **order number** and **Club Ted membership details**.
- Share digital files with customers via **secure OneDrive links** or other approved secure methods.
- Do **not** send photos as unsecured email attachments unless explicitly authorised in writing.

Step 6: Customer Notification & Collection

- Notify the customer via their **preferred contact method** in Pronto POS (phone or email).
- Do **not** include photo previews in notifications.
- On collection:
 - Confirm at least **one form of identification** (name, phone, or email).
 - Match the customer's film/prints with their paperwork before handover.

Data Protection & Privacy Compliance

- **Pronto POS:** Access is restricted to authorised staff only.
- **Microsoft OneDrive:** Use company accounts with **secure login and multi-factor authentication**.
- **Paperwork:** Must remain with the customer's film until collection; store securely for **8 weeks** afterward.
- **Destruction:** Securely dispose of all paperwork containing personal details or film negatives after the 8-week retention period if the order is not collected.
- **Data Breaches:** Report suspected breaches immediately to **Rory Moore or the Privacy Officer**. Follow **Notifiable Data Breaches (NDB) Scheme** requirements.

Staff Training

- All staff must complete **annual privacy and system-use training**.
- Training records are to be maintained by the **Store Manager**.
