

MANUAL CREDIT CARD PAYMENT POLICY

Purpose

The purpose of this policy is to ensure safe, compliant, and consistent handling of **manual credit card (MOTO)** transactions. This policy protects the business from financial and compliance risks while safeguarding customer information.

Scope and Responsibility

This policy applies to all employees and contractors of Ted's Cameras and Digital Camera Warehouse who are authorised to process payments.

All employees must follow this policy when taking deposits or processing orders via manual credit card methods.

Policy Statement

- Manual credit card transactions are **strictly limited to 20% deposits** of the total order value and **may only be taken over the phone**.
- Full deposits or full payment of an order via manual EFT are **not permitted under any circumstances**.
- Manual transactions **must never be processed while the customer is physically present in store**.
- Deviation from this policy exposes the business to significant financial and compliance risk and will be treated as a serious matter.

Procedures

1. Accepting a Manual Deposit

- Only **20% of the total order value** may be accepted as a manual deposit.
- Deposits may **only be taken over the phone**; in-store processing of manual transactions is prohibited.
- Ensure that the order and deposit are properly recorded in the POS system.

2. Customer Verification

- When the customer arrives to collect their order, their identity **must be verified** before completing the final payment.
- Acceptable forms of identification should be used to confirm the customer's identity.

3. Restrictions

- Full deposits or full order payments **cannot** be processed manually.
- Manual transactions **must not** be used for in-store purchases.
- Any uncertainty about processing a manual transaction must be clarified with a manager **before proceeding**.

Compliance and Accountability

- Employees are expected to **understand and apply this policy at all times**.
- Any breach or deviation from this policy will be treated as a **serious compliance issue** and may result in disciplinary action.
- Managers are responsible for monitoring compliance and providing guidance when questions arise.

Support

For any questions or uncertainty regarding manual credit card payments, employees should contact their **Store Manager, Assistant Manager, or National Operations Manager** before proceeding with the transaction.
