CODE OF CONDUCT

WHAT IS THE CODE OF CONDUCT?

Our Code of Conduct sets standards for the way we work at Ted's Camera Stores.

Our Code provides us with a set of guidelines to help us make decisions in our day to day work. The Code is supported by a number of more detailed policies and procedures, which can be found on the intranet and in the Policy Induction on our online learning platform.

Our Code covers:

WHEN DOES THE CODE APPLY?

Our Code applies to whenever we are identified as a representative of Ted's Camera Stores or its subsidiaries. In some circumstances, this will include times when we are outside our immediate workplace or working hours, for example at work functions, out of hours work activities or when we are out in the community on behalf of Ted's Camera Stores or its subsidiaries.

WHAT WILL HAPPEN IF I BREACH THE CODE?

HOW CAN I BE SURE MY CONDUCT COMPLIES WITH THE CODE?

While our Code provides general guidance and minimum expectations regarding our conduct, no code or policy can ever cover every conceivable circumstance we may face. In everything we do, we are expected to listen to and act upon our conscience to help build and maintain Ted's Camera Stores and our own reputations.

If we are in doubt about whether one's conduct is consistent with the Code, we can ask ourselves:

- Does it feel like the right thing to do?
- What would a customer, my manager or our owners expect or want me to do in this situation?
- Would my colleagues or manager consider my behaviour appropriate?
- What impact might this have on Ted's Camera Stores and our values of Reliability & Service; Honesty & Integrity; Loyalty & Fairness; Teamwork; Enthusiasm & Fun and Leadership?
