

Ted's Emplive and ADP New Starter Info

Version 1

At Ted's Cameras we use 2 systems to manage Team Members Time & Attendance through to Payroll management. These 2 systems are:

- Emplive – to record Time & Attendance on your shifts
- ADP – to manage payroll data including payslips and leave accruals, also known as Employee Self Service (ESS)

Emplive

It is a statutory requirement that all Australian Companies record the time and attendance details for all employees. To facilitate this legal requirement, we have installed Emplive Software in all work locations, to facilitate electronic rostering together with logon devices and in some instances personal computer clocking.

It is a requirement that you use the available Clocking device (Ipad) or personal computer clocking logon to confirm your attendance at work and your start/finish times.

If for any reason you are unable, or forget, to clock on or off in the store you will need to advise your Manager or Supervisor so that they can approve worked Timesheets accurately.

Your pay is calculated on the times entered into Emplive. If you fail to use it and you do not advise your Manager, we will have no proof of your attendance and you will not be paid. If there is a dispute you will not be paid until after the matter has been resolved and at the nearest following regular pay date.

You will not be affected in any way if you log on and off at your workplace at your rostered time. If for any reason you are having difficulty with the device, please contact your Manager or the Human Resources Department to address the matter.

As mentioned previously, we have a statutory obligation to record your time and attendance and to pay you according to those records. You also have an obligation to assist us in the accurate collection of this information.

Your assistance will ensure that no one is inconvenienced and that you get paid correctly and on time.

Setting up Emplive

As a new starter you will receive an email invite from EmpLive shortly after receiving your employment agreement inviting you to activate your EmpLive account and receive your PIN for clocking in/out of shifts. Please check your Junk folder if you haven't received the email within 24 hours of your agreement. Please follow the instructions below:

Step 1: Open the link

- a. Log on with your email
- b. Password will be provided
- c. Change password

Step 2: On PC/browser without link

- d. Enter "<https://ess.emplive.net/>"
- e. Log on with email / password
- f. Keep password secret – do not autosave onto your browser.

Step 3: Please update any personal details that may be missing or are incorrect, including Address, Phone No, email, Next of Kin.

Step 4: Download the EmpLive App from the App store or Google Play store for your device. You can then also update personal details through the app. You will also be able to view your upcoming shifts here.

On your first shift your Manager will take you through EmpLive for rosters, time & attendance etc.

ADP

We use a system that enables employees to access their payslips online through the ADP website utilising ESS (Employee Self Service). **You will receive your Client ID, User ID and temporary Password via email once we have processed your first payrun.** If you have not received the email from payroll with the Client ID, User ID and temporary password, please contact Payroll on 03 8779 5500.

Please Note: If you resign or leave the company, you will no longer have access to your ESS account. It is important to print/download your payslips and payment summaries for your records each pay period.

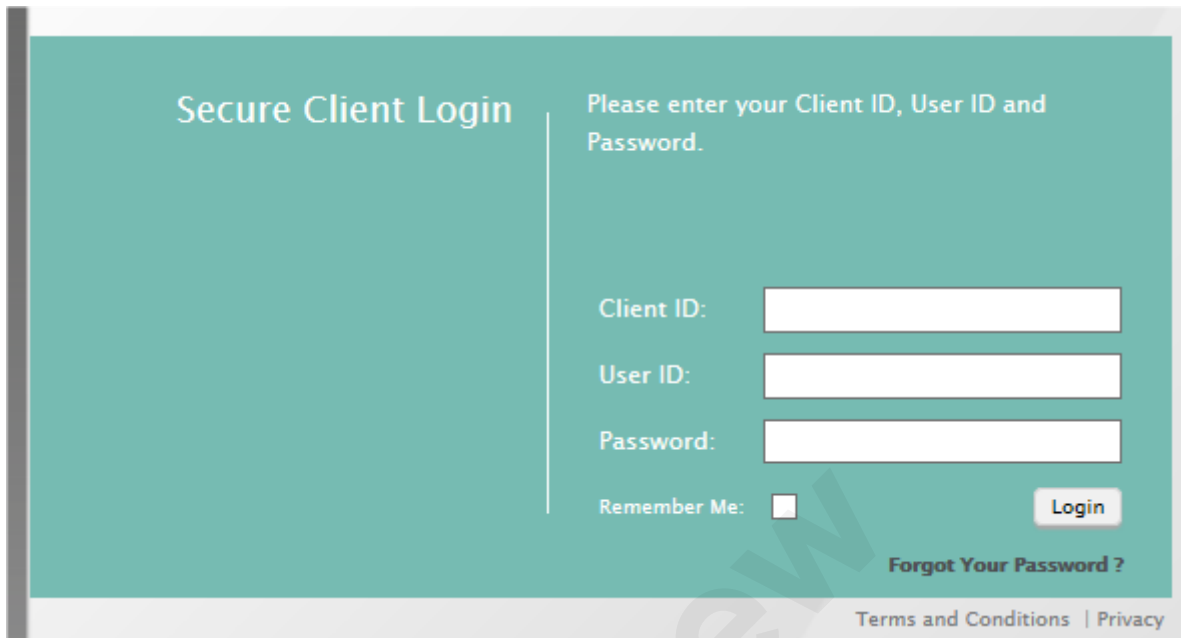

ESS has a range of other functions such as maintaining your own personal details, changing your own bank details, accessing your payment summaries (group certificates), apply/cancel leave, checking leave balances, leave history and tracking your leave approval process through ESS.

Accessing ESS

To access your ESS account online, you will need to follow the following steps:

Step 1: Once you receive your email with *Client ID*, *User ID* and *Temporary Password*, open a web browser and visit <https://secure.adppayroll.com.au/index.php>

Step 2: You will see the following screen below, type your Client ID for your company, User ID and the temporary password provide in the email.

The image shows a web form titled "Secure Client Login" on a teal background. The form prompts the user to enter their Client ID, User ID, and Password. It includes a "Remember Me" checkbox and a "Login" button. A link for "Forgot Your Password?" is also present. At the bottom, there are links for "Terms and Conditions" and "Privacy".

Secure Client Login

Please enter your Client ID, User ID and Password.

Passwords

This password must be:

- Passwords must be between 8 and 40 characters.
- Passwords must contain at least 2 numeric and 2 alphabetic characters.
- Passwords must not contain more than 4 repeating characters (eg aaaa).
- Passwords must not contain your User or Client ID.
- Passwords cannot be the same as your previous 4 passwords.
- Passwords are case sensitive.

How to find and check your Payslips

Step 1: Run your mouse over the "Reports" button in the top left of the page. A drop down menu will appear as shown in picture below, then click on "Pay Advices & Reports".

Step 2: Choose the relevant date of the payslip you want to view by clicking the 'View/Download' icon and your payslip will appear as a pdf.

Reports

	Date/Time	Description	Size	View/Download
	04/11/2015 02:12:41 PM	Pay Advices	9.5K	
	21/10/2015 02:44:00 PM	Pay Advices	9.54K
