Hi MatthewMatthew

Welcome to the Ted's Cameras team! I am thrilled to have you join our family and know you'll be a great addition to our Ted's Cameras team!

In preparation for your first day at Ted's Cameras, please complete our onboarding program which includes forms to fill out online and information and policies to read, once complete select **Confirm**. You can save your progress anytime by selecting **Save Progress**.

When your onboarding program is complete, you will have access to our internal information and communications platform, CONNECTED. Here you will find everything you need to know about while working at Ted's Cameras. Feel free to have a good look around as its easy to navigate. During your Induction, we will help you navigate CONNECTED and introduce you to the app too.

Your first shift with Ted's Cameras will be a busy one, and will include the following:

- Meet and greet the team!
- Tour of Support Office
- Health and Safety in the Workplace
- Site specific information - Accessing building, Carparking etc.

If you have any questions leading up to you first shift, please contact me at **WHO DO THEY CONTACT?**

See you soon!

Matthew
