Work Health & Safety Consultation Procedure

1. Purpose

The WHS Consultation Procedure establishes a process (Work Health and Safety Committee (WHSC)) by which a safe and healthy workplace for all employee of the Company.

2. Responsibility

WHS Coordinator

3. Scope

All employees of the Company.

4. Definition

The Company: the following companies: Ted's Camera Stores (Vic) Pty Ltd, Minimax Pty Ltd and World Net (Aust.) Pty Ltd.

Manager: Supervisor, Team Leader, Manager, Subject Matter Expert, staff that supervise front line staff.

5. Procedure

Work Health & Safety Committee (WHSC)

The Work Health and Safety Committee (WHSC) comprises both management and at least 50% employee representatives. This WHSC is chaired by the Work Health Safety (WHS) Coordinator who is responsible for maintaining the membership of the WHSC arranging meetings, producing agendas and minutes of the meeting.

The primary purpose of the WHSC is:

Ensure employee's views and concerns regarding safety in the workplace are properly represented to management and to assist in educating and encouraging employees in adopting safe work practices at all times.

To review and monitor the effective application of a comprehensive Safety Management System for the business with an emphasis on discussing our hazards and ways of controlling exposure to them.

Formulate review and disseminate standards, rules and procedures relating to health and safety that are to be carried out or complied with.

In particular it will:

Meet at least quarterly, although more frequent meetings may be necessary if urgent issues arise or need attention.

Review and discuss policies and procedures relating to health and safety in the workplace.

Review and discuss plans that ensure that business meets its obligations under health and safety legislation.

Monitor and recommend safety related training for the business.

Circulate information to employees about safety.

Identify hazards and risks in the workplace and put in place controls to reduce exposure to them.

Review and discuss incident (including near misses) and hazard reports and any corrective action.

Review performance measures and targets that promote health and safety in the workplace.

Provide recommendations aimed at providing a safe workplace.

Chairperson

The WHS Coordinator will chair the meetings of the WHSC.

WHSC Employee Representatives

In particular they will:

Be available for employees to air their safety concerns (confidentially if needed).

Raise safety issues or concerns at the WHSC meetings (or with management if the matter cannot wait until the next scheduled WHS Meeting).

Follow up on any outstanding safety issues that has been raised (be that formally via hazard or incident reports or via discussions with employee/s).

Help implement a safe working culture throughout the business.

WHSC Management Representatives

The role of the WHSC is primarily to display commitment and leadership for safety throughout the Company. It is to establish a safety first culture of doing business, among all employees.

In particular they will be responsible for:

Taking into account the views of employees and making decisions on safety matters.

Ensuring agreed decisions get implemented effectively and efficiently.

Monitoring safe work practices and modifying existing procedures to meet changed circumstances.

Communicating safety issues with all stakeholders.

Ensuring all hazards and incidents are correctly recorded and investigated and that agreed actions are undertaken in a timely manner.

Alternates

Each committee member may nominate an alternate employee or manager to represent the committee member in their absence.

Issue Resolution

All safety issues are to be resolved using the Company's Complaints Process. This procedure is to be implemented in consultation with employees.

Employees

1. Discuss any WHS concerns with manager if desired.
2. Assist in resolving any concerns at a local level if possible.
3. If not resolved at this level, seek assistance from the next level manager.

Managers

1. Follow-up on agreed actions until fully resolved to the satisfaction of all parties.
2. Escalate concerns to manager if unable to resolve.
3. Follow established Complaints Process.
4. Receive concerns from supervisors or employees.
5. Resolve any concerns (at a local level wherever possible)
6. Put interim controls in place if any safety issues are identified.
7. Follow up and record any agreed actions until fully resolved in the **Corrective Actions Register** (maintained by WHS Coordinator).
8. Escalate concerns that cannot be resolved, to CEO.

At any stage, the employee is encouraged to consult with WHSC members.

Notice-boards Intranet

A notice-board for placing important information regarding health and safety, (this may be access to the intranet or physical notice-board, or both) which staff can access. This will include:

Key staff and structures established to manage safety will be clearly displayed as key policies and procedures.

Access to **Incident Report Forms, Hazard Report Forms, Workplace Inspection Checklists** and other WHS related forms and information.

Minutes of all WHSC meetings.

Important points to note from these noticeboards are that:

Every registered report (be that an Injury, Incident and/or Hazard) is to be reviewed by the Store Manager / Manager with necessary corrective action recorded in the central or local **Corrective Actions Register**. The WHS Coordinator will record and track actions in the central **Corrective Actions Register** and each Store Manager / Manager is responsible for local **Corrective Actions Registers**.

A summary of all injuries, incidents and hazards are to be included in the Safety Report compiled for Each Board Meeting and each WHSC meeting (usually conducted quarterly).

Standing Agenda Items

1. Attendance/apologies.
2. Minutes of the previous meeting.
3. Matters arising/outstanding action items from previous minutes.
4. Reports and correspondence received by the WHSC.
5. Review incident statistics.
6. Review of serious incident reports and investigations.
7. Review health and safety management plans and associated objectives and targets.
8. Review regulatory activity undertaken by Health and Safety regulators.
9. Review the results of Health and Safety systems audits.
10. Review of Health and Safety Policies and Procedures.

Distribution of Minutes

Minutes of the Committee meetings will be:

Distributed to committee members by WHS Coordinator within a week of meeting and

Published on the Company's intranet for employees to view.
